EXPERIENCE

Student, General Assembly ■ New York, NY

Nov 2015 - Feb 2016

Full-stack web development immersive program, where I developed a portfolio with both individual and collaborative projects.

- The Krafty Kitchen ■ *an app built to search for recipes by ingredients, where recipes returned contain only ingredients that the user inputs.*
 - This app was developed using express/node.js and Angular.js
- GetSun ■ *an app built to find the best weather nearest to you, the user.*
 - This app was a collaborative project, and it was developed on express/node.js.
- RestaurantApp ■ *a point of service app built for efficient restaurant management.*
 - This app was built with ruby on rails, and the focus was on a mobile first platform.
- Emoji Memory ■ *a one or two player memory game built using javascript.*
